

IMPORTANT DEADLINES

Deadline for application	January 4, 2013
The deadline for submitting abstracts in English	January 4, 2013
Paper acceptance info	January 15, 2013
Submission of full papers for proceedings (max 8 pp.)	February 15, 2013
Conference fee payment deadline	March 10, 2013

The Scientific Committee of the Conference reserves the right to review the abstracts and assign them as spoken papers or poster presentations. The basic criteria of qualifying the abstracts will be their academic value and relevance to the conference topic. Abstracts should not exceed half A4 page.

The papers accepted for presentation during the conference will be published in the conference proceedings disseminated at the conference. The proceedings will be sent to the Conference Proceedings Citation Index - Social Science & Humanities (the Thomson Reuters ISI Index). If they are accepted, they will be available in the Web of Science database. Furthermore, it is possible to publish an extended version of the papers in a monograph, in English (max 16 pp.).

StatSoft Polska company has funded a Professor Kazimierz Zając Award for the best conference paper presented by a young scientist (holding a master or doctoral degree).

CONFERENCE FEE

The fee includes: conference proceedings and accommodation:

double room - **300 EUR**

single room - **350 EUR**

Account number for payments in EUR: **PL 35 1060 0076 0000 3210 0015 2428**

SWIFT: **BPHKPLPK**

(with a note: Konferencja Zakopiańska maj 2013, participant's name and surname)

Details about the conference, along with the **application form** can be found on the website:

The 7th Professor Aleksander Zelias International Conference

*on Modelling and Forecasting
of Socio-Economic Phenomena*

May 7-10, 2013, Zakopane, Poland

Honorary Patronage of the Conference:
Rector of the Cracow University of Economics
Prof. UEK dr hab. inż. Andrzej Chochół

Conference organizers:

**Department of Statistics
Faculty of Management
Cracow University of Economics**

**Committee of Statistics and Econometrics
Polish Academy of Sciences**

THE AIMS OF THE CONFERENCE

The 7th Professor Aleksander Zelias International Conference on Modelling and Forecasting of Socio-Economic Phenomena is an annual event organised by the Department of Statistics at Cracow University of Economics and the Committee on Statistics and Econometrics of the Polish Academy of Sciences.

Its main aim is the integration of Polish statisticians and econometricians and foreign scientists collaborating with them.

Another aim of the conference is to discover new directions of research and to promote and spread the results obtained from research conducted in academic and scientific centres in Poland and abroad. Also, its aim is to present the latest research in the broadly understood areas of statistics, econometrics and economic forecasting in Poland and abroad.

The last but not least aim of the conference is to educate young scientists and to serve as a place where they can exchange their ideas and share the results obtained in their research, as well as to activate young scientists and reward them for their work.

SUBJECT AREAS OF THE CONFERENCE:

- Theory of statistics and Econometrics
- Forecasting and Prediction Methods
- Multivariate Analysis,
- Labor Statistics
- Environmental Statistics
- Social Statistics
- Demography
- Medical Statistics
- Financial Econometrics
- Spatial Econometrics
- Financial Engineering and Insurance
- Applications of Mathematics in Economics

Language of conference: Polish and English.

SCIENTIFIC COMMITTEE

Prof. dr hab. Józef Pociecha (Chairman)

Department of Statistics, Cracow University of Economics

Prof. dr hab. Andrzej S. Barczak

Department of Econometrics, University of Economics in Katowice

Prof. dr hab. Czesław Domański

Department of Statistical Methods, University of Łódź

Prof. dr hab. Krzysztof Jajuga

Department of Financial Investments and Risk Management,
Wroclaw University of Economics

Prof. RNDr. Viera Pacakova, PhD

Institute of Mathematics and Quantitative Methods, University of Pardubice

Prof. Anatoliy I. Pilyavskyy

Department of Mathematics, Lviv Academy of Commerce

Doc. Ing. Eva Sodomova, PhD

Department of Statistics, University of Economics in Bratislava

Prof. dr hab. Mirosław Szreder

Department of Statistics, University of Gdansk

ORGANIZING COMMITTEE

Prof. dr hab. Józef Pociecha (Chairman)

Prof. UEK dr hab. Anna Malina (Vice-chairman)

Katarzyna Frodyma PhD (Scientific Secretary)

Prof. UEK dr hab. Barbara Pawełek
